

# LED High Bay Light

## GKD200W20

200W LED High Bay Light 30000 Lumen, 6000K

Uses Philips 2835 Luminaire, a highly efficient and reliable LED luminaire. Ideal to replace HPS 300W with surplus brightness, with the benefits of lower carbon generation via reducing energy consumption, instant turn on time and almost zero maintenance.

## Product data

Model	GKD200W20	Luminous Flux	30000Lumen
Power Factor	>0.9	Luminous Efficacy	150Lm/W
Ingress Protection	IP65	CCT	6000K
Impact Protection	IK10	CRI	RA>80
THD	<15%	Beam Angle	120°
Power Consumption	200W	Control Interface	Not Required
Voltage	AC220-240V 50/60Hz	Dimmable	No
Inrush Current	54A	Housing Material	Die-Cast Aluminium
Overall height	126mm	Optical Cover	Polycarbonate
Overall diameter	325mm	Net Weight	2.35Kg
Ambient Temperature	-30°C ~ 45°C	Max no of Lamp on	6
		16A MCB
